Hello Members of the ALA Gold Star Unit 191,

We hope you are doing well through this unprecedented time of COVID19. For those who are not comfortable attending or are unable to join us at the meetings, we really miss seeing you.

As most of you know, many things have changed, been canceled, or are restricted here at the Post due to the virus. With that said, the Unit is reaching out to you for suggestions regarding raising funds for our Auxiliary. There are still many needs within our Veteran & Mt. Airy communities that we would like to support. However, without funds coming in we are very limited to what and whom we can assist.

One suggestion was to have a "Bakeless" Bake Sale Fundraiser. If you would like to donate an amount you would normally give and/or buy at a Bake Sale, we would use your donation to continue to pay our obligations and be in the position to help others as we are financially able. With a bakeless sale there are no calories, it is all allergy free, and will only cost the amount you want to give. There is no extra temptations involved. We hope you will consider giving a donation.

Make your check out to:

ALA Gold Star Unit 191

with "Bakeless" on the memo line of your check.

Please mail to:
