Gold Star Post 191

Closing out the Year with a bang!

Can you believe we are in our last month of 2024? It seems like it was yesterday we were celebrating the New Year. We have come together as a post to support our members, veterans, and our local community. We have done some updating around the Legion. We were able to buy new signs to proudly display in the Lounge. We continue to update and replace equipment to better serve our member's needs. Stay tuned to see what will be new in 2025.

I am so proud of our entire Legion Family, the Auxiliary Unit Gold Star Post 191, American Legion Riders and Sons of the Legion. Each group has stepped up this year and have organized events for our community. The Auxiliary Unit hosted Kids Bingo and Halloween Safety which was well attending. American Legion Riders hosted a Comedy Show which had over 170 people in attendance. The Sons of the Legion hosted their annual November Craft Show and is putting together, with the help of the Auxiliary, the 2024 Kids Christmas Party.

I can't wait to see how we continue to grow and support our community in 2025.

Todd Morris
